# CREATING EMPLOYMENT OPPORTUNITIES **SINCE 2004**

[TABASCOUAE.COM](https://www.tabascouae.com) >

# OVER A DECADE AGO, AN IDEA WAS BORN & EVOLVED INTO A POWERHOUSE OF EMPLOYMENT IN THE UAE.

Our story commences in 2004, a humble establishment that focused on providing employment opportunities to vital sectors within the UAE. Over time, we grew into a name to reckon with in the “Manpower Solutions” space, with a presence in all industry sectors. With a workforce in excess of 3000, we’ve been part of the country’s incredible progress by providing critical Manpower solutions to several projects from inception to completion. We are proud to be a 100 % Home Grown Company, having withstood the test of time since 2004 through expertise gained in all dimensions from speedy Onboarding through Welfare, QHSE and Training. The result is a productive and cheerful workforce that consistently surpass client expectations.

# WHY OUT SOURCE?

Simply put, it's the smart choice and the way to go in an environment fraught with uncertainties. Outsourcing will help you navigate your business better.

Statistically, illustrated are the most popular reasons why companies choose to outsource.

## ROBUST WORKFORCE MANAGEMENT

We have a system for quick processing of information and excellent employee management.

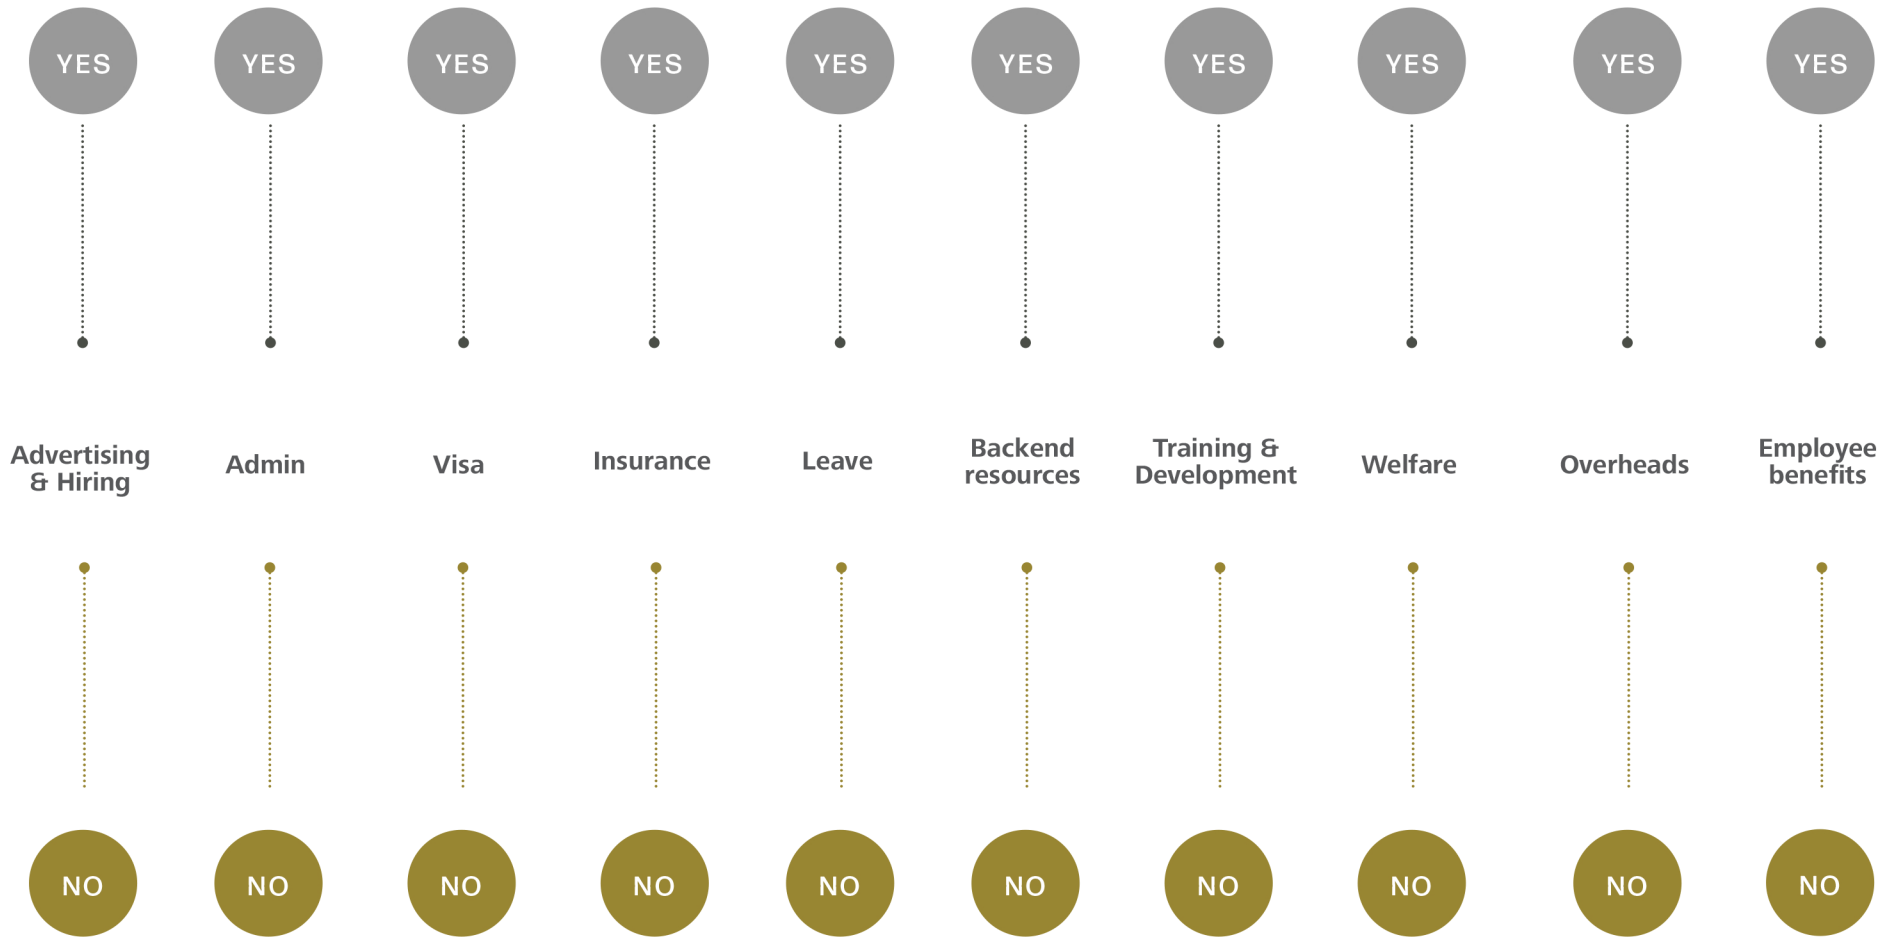

## FOCUS ON YOUR CORE

We can help you focus on your core activities and take responsibility for your workforce needs.

## ISO CERTIFIED

We are a certified establishment with proven ability to manage well our daily business operations.

# COSTS APPLICABLE IF HIRED INTERNALLY

# COSTS APPLICABLE IF OUTSOURCED

# QHSE

At Tabasco, we abide  
by three cardinal principles.

SAFETY, SAFETY  
AND SAFETY!

To us, safety is not expensive; it's Priceless! We have an all-pervasive QHSE culture at Tabasco. As one of the leading Human Capital experts in the region, we are resolute to adapt and comply with our Quality, Health, Safety and Environment (QHSE) Policy to intensify our performance, structured on principles of perpetual improvement and sustainable development.

# ETHOS: WHAT DRIVE US

## **LET'S RISE TOGETHER**

We believe that we forge a symbiotic relationship in mutual growth by rendering services that exceed client expectations

## **COMMITTED TO INTEGRITY**

Our professional standards stem from the fact that we do not compromise on integrity. The result is %100 customer retention, which paves the way for a sustainable and cohesive business relationship.

## **DIVERSE YET INCLUSIVE**

Our workforce comes from different corners of the world, with a collective aim to make the best use of our expertise to create value.

## **ALL ABOUT PERFECTION**

We do not rest on our laurels. In the quest for excellence, we constantly innovate and improve to remain ahead of the pack.
